OUTDOOR JOBS IN THE CCC ... LEARN MORE MARCH 28-31

The California Conservation Corps has scheduled orientation sessions this month in Anaheim, Norwalk, Pasadena and Riverside, allowing young people to learn more about CCC jobs nearby and throughout the state.

To fill openings for full-time CCC residential and nonresidential positions, orientation sessions will be held in the four communities Monday, March 28 through Thursday, March 31. Corps staff will be on hand from 10 a.m. to 4:30 p.m. each day. Parents are welcome to attend.

Applicants must be between 18 and 25 years of age, California residents and not on probation or parole. Women are encouraged to apply. Those attending an orientation session should bring a photo ID and either a Social Security card or birth certificate.

The CCC has nonresidential crews in Los Angeles, Norwalk, Pomona, Riverside and San Bernardino, where corpsmembers can live at home and commute to work each day. Residential positions are currently available at several CCC centers in northern California, including a facility near Lake Tahoe. The centers have dorms and dining halls, and corpsmembers pay room and board at those locations.
